Spiritual life thrives on the gathering together of God's people. The crisis in Israel was met by a convocation of the people. We need to revive the great soul-stirring religious gatherings of a generation ago. Go yourself, and encourage others to go. IV. God's Mercy Remembered Samuel raised a stone of remem brance, to remind Israel in the years to come that the Lord had been their help. A defeated, disheartened, sinful people had turned to God in repentance and faith, and God had given them victory. They must never forget His mercy. One of the great concerns of thinking men in our day is the fear that victory may come to us before we are spiritually and morally ready to receive it. If it does, we shall see a mad rush into excesses of all
